

# Thank you!

Thank you to the Port Hawkesbury Paper employees and over 200 contract workers representing over 30 local, national and international contractors who worked safely during our annual maintenance down.

Over 4 days, we focused on projects throughout the facility and invested over 7 million dollars to help continue our position as a world-class paper manufacturer.

**We appreciate your support in making Port Hawkesbury Paper a vital part of the Nova Scotia economy.**

OF INVESTMENT,  
INNOVATION &  
STEWARDSHIP
